

In History, 2nd class discovered some incredible facts about the Ancient Egypt. They learnt lots about the Pyramids and Pharaohs and more! In Art they drew and painted Tutankhamen, who became a pharaoh at the age of 9.

In SESE, 2nd class class created a display board to show all about the luxury passenger liner, the Titanic, that sank in April 1912 during its main voyage, en route to New York.

They really enjoyed making some great artwork and learning all about Egypt and the Titanic.

:)
